

1.3 Humanitarian Entrants to the City of Boroondara 1998/99 and 1999/2000

Source: DIMA Settlement Database July 2000

A total of 26 people indicated that they would settle in the City of Boroondara on entering Australia through the Humanitarian program in 1999/00. This compares to 45 people in the year ending June 1999. In 1999/00 the majority of entrants (35%) were born in Iraq. Although the graph indicates that 1 person was born in the regions of the former Yugoslavia, this figure may be up to 3 people as DIMA does not state the figure when it is less than 4.
