

1.3 Humanitarian Entrants to the City of Maroondah 1998/99 and 1999/00

Source: DIMA Settlement Database July 2000

A total of 5 people indicated that they would settle in the City of Maroondah on entering Australia through the Humanitarian program in 1999/00. This compares to 18 people in the year ending June 1999. In 1999/00 the majority of people (80%) were born in regions of the Former Yugoslavia. Although the graph indicates that 1 person was born in Iran, this figure may be up to 3 people as DIMA does not state the figure when it is less than 4.
