* Does not include not stated responses

The largest number (35%) of people residing in Marringham are aged 25 - 49 years. For communities that have arrived in Australia recently the percentage of the population in this age group is higher, for example 64% of Vietnamese born people and 49% of people born in Hong Kong are in this age group. For the Italian and German speaking communities the largest number of people are aged over 60 years, 41% and 32% respectively.
