~ How to Play ~

Goal: To collect the most pairs of cards.

Setup: Shuffle the cards and lay them on the table picture face down in orderly rows and columns, like so:

How to play:

1. The youngest player goes first. Play then proceeds clockwise.
2. All cards have a mate (pairs). You must match up the pictures, for example:

= Correct Pair

= Incorrect Pair

3. On each turn, two cards are flipped over.
4. If the cards do not match, they are both turned back face down and it is the next player's turn.
5. If the cards match, the player keeps them and gets another turn until they choose two cards that don't match.
6. The winner is the player with the most cards at the end of the game.
