

Individual Social Support

- ✓ Friendly home visits and telephone support
- ✓ Companionship for walks and social activities
- ✓ Support to attend medical appointments and shopping
- ✓ Accompaniment to movies and community activities

MIC provides personalised one-to-one social support for people who are aged 65 years or over, live in Melbourne's eastern region, and approved by My Aged Care for Individual Social Support. The service is designed for older people seeking companionship and assistance to stay connected with their community. For more information or to check your eligibility, please contact (03) 7049 1603.
